

Directions to Olive

Southampton Science Park, 2 Venture Road, Chilworth, Southampton, Hampshire, SO16 7NP

Instructions for finding us by car, rail, and ferry.

By car

SatNav postcode - S016 7QQ

(please note this is the postcode to help direct SatNav systems to us and not our postal address postcode - SO16 7NP)

From the North

Head South on the M3, leaving at Junction 14 where the M3 divides into the M27. It doesn't matter which lane you are in as you need to follow the signs for Southampton onto the A33 which is the first exit (on both M27 East and M27 West) after the M3 divides. (If you miss this turning follow the directions from M27 below). At the Chilworth roundabout take the 3rd exit (doubling back on yourself) and follow the slip road off to the left on to the A27 towards Chilworth – just after the petrol station. The Science Park is clearly signposted on the left after approximately 1 mile (2nd turning after the Chilworth Arms pub).

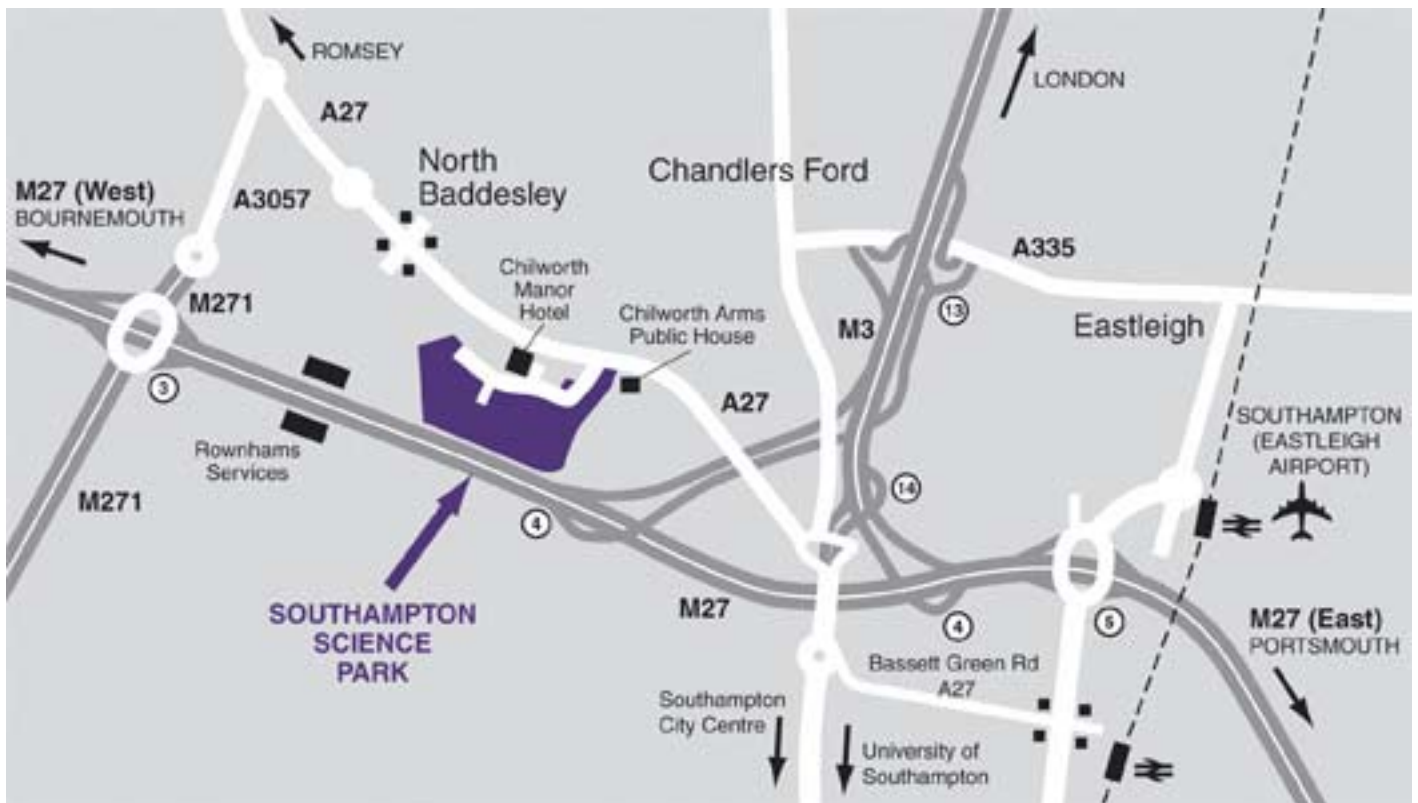

By Car - From the East

Exit the M27 at Junction 5, take the first exit at the roundabout and head South along the A335. Turn right at the first set of traffic lights into Bassett Green Road and stay on this road until the Chilworth roundabout. Take the second exit and follow the slip road off to the left on to the A27 towards Chilworth – just after the petrol station. The Science Park is clearly signposted on the left after approximately 1 mile (2nd turning after the Chilworth Arms pub).

N.B. If you are using a Sat Nav system this is likely to direct you to take the road next to the Chilworth Arms pub – ignore this and take the next left which is signposted to the Science Park.

By Car - From the West

Exit the M27 at Junction 3, following the signs for Romsey. At the first roundabout, take the second exit onto the A3057. At the next roundabout, turn right onto the A27 (Luzborough Lane) and then take the second exit at the next roundabout. Follow the road towards Chilworth - the Science Park is clearly signposted approximately 2 miles on the right (just after the church).

By Rail

The closest train station to the Science Park is Southampton Airport Parkway (approx 4.5 miles away). From there it is advised to get a taxi to the Southampton Science Park – Venture Road, this will take approximately 15 minutes. A taxi from Southampton Central station will probably take approximately 20 minutes.

By Ferry

The Science Park is located approximately 6 miles from the Southampton Ferry Terminal (Dock Gate 7). It is advised to get a taxi from the terminal to the Southampton Science Park – Venture Road, this will take approximately 20 minutes.

West Quay Cars - 0700 0700 0700

Within the Science Park

Follow the University Parkway road into the Science Park (watch out for speed bumps!) and take the first signposted turning on your left into Venture Road. Building 2 (aka Innovation Centre) is the second building on your left-hand side. You can park anywhere around this building (see map below).

As you come into the main reception area head up the stairs and then turn right. You will then need to walk through 3 sets of double-doors, after which our office is located on the left side of the corridor.

We are here

If you are attending a meeting we will provide directions to the meeting room in the main reception area on the interactive flat screen display.

Any problems, please call us on 023 8011 1440.
